

We remember the words of **Mother Foundress** describing her experience on the renewal o
f the Church
...
She
seemed to be
in the squares
of Rome
hearing

challenging words
calling for renewal:
...
"
obedience, obedience, poverty, poverty, poverty,
recollection, silence, silence
,
fidelity
,
fidelity
,
fidelity
to
the Holy Law
of the Lord
".
(
cf.

And what
we do hear
in these first days
of the
pontificate
of the Pope Francisco?
:”
Take care of fragile
and
last
, care
of creation,
steward the
thirsty
, take care one of ano
ther
,
poverty
, poverty, poverty, solidarity,
solidarity
, confess
Christ crucified
,
our strength, follow Him

....”
The joy
,
the
welcoming
,
is
mixed with a
silent voice
of the
consciences
:
the Pope invites us
with
the words of Jesus
and
we do not want
to let
them

blow away. ..
