

As we are witnessing the tragedy of thousands of people affected by the effects of typhoon we are too witnessing the solidarity of thousands of brothers and sisters in bringing them help, relieve and hope.

As Claretian Family we join the efforts of other institutions and facilitate the channel of solidarity. The sisters of our pilipino communities are directly involved and from other corners of the world we stretch out our arms in concrete gestures of aid. Especially in Iloilo Island.

Our claretian NGO Korimasur is forwarding material collaboration. If you wish you can send it through: THANK YOU!
